

# Innovative Products for the N·E·X·Generation™

Nexus Zail®

## Uncompromising Quality

## Affordable Pricing • Outstanding Service

*"Hands down, this is one of the best investments we have made. In a large operation such as ours, there are always competing demands for capital. With the purchase of our Nexus 'GardenHouse,' we are seeing an accelerated return on our investment, not only in a strict monetary sense, but in the ability to provide excellent customer service through magnificent product display and easy product selection. Customers are amazed at the display of plants inside this greenhouse and can't help but load up their carts!"*

**Nathan Hoerr, CEO, Hoerr Nursery**

Hoerr Nursery • Peoria, Illinois

D.A. Hoerr started his Central Illinois company in 1926. Ownership passed through his sons, Rudy, John and Jim to the third generation leaders — Nathan, Jeff, John W. and Jack. They have concentrated on customer service, high quality products, and craftsmanship, while they specialize in complete landscape and horticultural services and a world class garden center. The addition of the 10,000 sq. ft. Nexus "Gardenhouse" in 2007 has proved so valuable for retail sales that the nursery is planning its next addition.

Three years in a row, Hoerr Nursery has been recognized as one of the Top 100 Revolutionary Garden Centers and, in 2007, was named one of the Top 100 Independent Garden Centers.

For generations, industry leaders have looked to Nexus for their most high-tech and innovative greenhouse solutions. By continually offering unique architectural styles to satisfy different tastes and needs, we build the future one generation at a time.

Nexus offers a broad range of structures and retail-friendly products to meet your individual retail needs at an affordable price.

Call Nexus today to find out how you can become part of the NEXGeneration.
